[Home](#) > I am trying to file a proof of claim for a creditor. The creditor is listed in the case, but the address for the creditor is incorrect. How can I change the address?

Answer:

You cannot change the address listed for a creditor in a case, but if you are using ECF or ePOC to file the claim you can add a new address by selecting *Add Creditor* and entering the creditor's name and the correct address. Additionally, if you are filing the claim on paper or via ECF or ePOC, you may also docket a *Notice of Change of Address* for the creditor, wait 24 hours, and then file the claim under the new corrected address.
